Re: Application of Wyboo Plantation Utilities, Incorporated for Expansion of Service Territory in Clarendon County
Docket No. 2007-135-WS

Dear Mr. Terreni:

On June 29, 2007, Wyboo Plantation Utilities ("Wyboo") filed a Motion requesting that the hearing regarding the expansion of service territory be cancelled. The Office of Regulatory Staff ("ORS") does not oppose the Motion but requests that the Commission require Wyboo to comply with the Commission's performance bond requirements no later than August 17, 2007.

Mr. Mark Wrigley currently has a performance bond on file with the Commission for water and sewer operations which uses a personal financial statement as surety for water and sewer services for Wyboo Plantation Utilities, Inc. Mr. Wrigley provided to ORS his personal financial statement on August 11, 2006 which reflected Mr. Wrigley's financial condition as of January 31, 2005. The information provided on August 11, 2006, is inadequate and insufficient to accommodate the service area expansion of Wyboo Plantation Utilities, Inc. ORS respectfully asks that the Commission condition any order granting Wyboo's request for expansion of service territory upon compliance with the Commission's performance bond requirements by a specified date.

Additionally, ORS would bring to the Commission's attention that the Commission in its Directive dated April 11, 2007 in Docket No. 2005-13-WS states that upon order of the Commission Wyboo must file an updated personal financial statement. As of the date of this letter, ORS has not received an updated financial statement.

Please let me know if you have any questions regarding this matter.

Sincerely,

Nanette S. Edwards
